WELCOME TO OUR 17TH ANNUAL SALE!

Thank you to all our previous buyers for allowing us to do what we love, raise Fleckvieh cattle. The support from our many repeat buyers has been graciously received. Wolfe Farms strives to provide you with genetics that will elevate your program. We are always searching and working to move our unique breeding program forward each year. Our cattle are raised on high forage diets, allowing them to grow out more slowly, so they can work hard for you for many years.

We believe that this is our best group of bulls on offer to date. Since we switched to Spring calving several years ago, we gained the ability to acquire partial interest the industry's top sires. One of these sires, Electric Avenue, has impressed us to say the least. The Elevation, Dynamite, Custer, and Broker progeny also continue to offer us the type of cattle we strive to raise. If you are looking for growthy cattle you have come to the right place.

Our recently retired sire Brink Geronimo A310 is the #1 herdsire for weaning weight and yearling weight in the Canadian Fullblood Simmental herdbook (with registered progeny). You will notice throughout the catalogue that his daughters are raising some of our best. This is the last year to acquire a direct Geronimo bull or female. Additionally, two current herdsires of ours also make the top of the Fullblood list for growth.

Wolfe Farms is committed to improving not only the performance of Fleckvieh cattle, but also important traits that are hard to measure. This will be our third year ultrasound carcass scanning our bulls. By providing buyers with ribeye, marbling, and lean meat yield measurements, the demands of consumers, feedlots, and packing houses can be further satisfied. Carcass measurements, scrotal measurements, and weights will be available prior to the sale as it comes available. This information can be found on our website, www.wolfefarms.ca, within "Interactive Supplement Sheet."

In response to the increase in demand, we now have a greater number of open Full Fleckvieh heifers available. We selected twelve heifers to keep open this year. They were left open to give breeders with a Winter calving program the opportunity to integrate them into their herds. The eleven bred heifers on offer were exposed to either RWR Sully 9E, or our new heifer bull Clearwater Hugh 26H, who is a Double Bar D Kitimat 237B grandson. Our Sr. heifer bull Kitimat went into semi-retirement, spending his sixth year with ten of our own replacements.

We would like to remind potential buyers of a few things:

- Bulls can stay on the farm through the Winter free of charge.
- Bulls will be delivered for free (within Western Canada) in the Spring.
- For bull purchases, buyers have the option to pay 50% sale day and the remainder in the Spring upon delivery.
- Videos will be accessible a week prior to the sale through a link on our website, www.wolfefarms.ca. Click "Lot Videos" on the Home tab.
- The sale start time is 3 PM.

Lastly, we would like to thank Stefon Beechinor and Mackenzie Stout for the great job they always do photographing our bulls and heifers. We would also like to thank Bob and Heather James for their awesome catalogue production service they have provided to our family, and many others. The industry will miss your family's dedication to marketing our breed. We hope you enjoy your well-deserved retirement!

Call me anytime if you have questions regarding our program or offering, or to schedule a tour of the pens. After our 3 o'clock sale stay for a warm bowl of Mom's famous chilli.

Tony

CLEARWATER HUGH 26H -1333502

TERMS & CONDITIONS

TERMS - The terms of the sale are cash or cheque payable at par at sale location. The right of property shall not pass until after settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released.

BID - Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

INFORMATION SUPPLIED - The information contained in this catalog is believed to be true and accurate. However, the information has been supplied by the seller and Jamesway Enterprises assumes no responsibility if the information supplied is not accurate.

CATTLE PICTURES - The images in this catalog are believed to be accurate representations of the individual animals. Jamesway Enterprises assumes no responsibility if the images as received have been altered.

ANNOUNCEMENTS from the auction block will take precedence over the printed matter in the catalog. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - A registration/recording certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by the Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

BREEDERS GUARANTEE - As per applicable Canadian Breed Association Breeding Guarantee guidelines. In no event shall the seller be responsible for reimbursing more than the purchase price.

EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sellers, auctioneer, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

The Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner.
