Terms & Conditions

The sale will be held under the standard Canadian Simmental Association terms & conditions. Copies will be available at the settlement desk.

Welcome, previous and prospective buyers, to our 15th Annual Fleckvieh Bull & Female Sale. What a year it has been; wet in the north and dry in the south! It was a tough summer for all farmers in Western Canada. Despite all this the beef industry remains strong. Recently one of our largest importers of beef, China, lifted a ban that was placed back in June.

The cattle we raise impact this industry by incorporating high performance alongside longevity. Our program is unique because we grow our cattle out more naturally by providing them with more time, and high forage rations. To further our program, this year we have made the decision to start measuring carcass traits such as ribeye area, marbling, and backfat. The feedlots will pay you a premium for calves that grade well in these areas, once you gain a reputation for such. Remember that the loin and rib sections are worth almost half of the whole carcass!

Another new thing we did this year was keeping eight heifers open, six of which are Full Fleckvieh. We did this to give those of you with an earlier calving season the opportunity to better integrate one of our females into your program. We still have bred heifers on offer as well. All twelve were exposed to our proven heifer bull Double Bar D Kitimat 237B.

An exciting opportunity for buyers this year are the ten Brink Kevlar D620 bulls and females on offer. We used Kevlar for one year before he got sick following the breeding season. We sure miss him after watching his calves mature! The 2018 calf crop also includes the last four Virginia Barcelona 46X progeny to sell from Wolfe Farms.

Prior to the sale you can find carcass and scrotal measurements for all our bulls. Individual videos for all lots will also be posted on our website before sale day. These additional tools can be found on the homepage of our website, www.wolfefarms.ca. Just click on either the "Interactive Supplement Sheet" button or "Lot Videos" button.

To celebrate our 15th anniversary, we would like to give one lucky buyer present in the barn 15% off their highest priced bull or female.

Call me anytime at 780 524 9322 with questions. After the 4:00 PM sale, stick around for a family made chili dinner and a drink!
