## WELCOME

to Wolfe Farms 12th Annual Bull & Female Production Sale. I would like to start by thanking all our past buyers and bidders. Many of you are repeat buyers and many of you travel long distances to attend our sales. We appreciate the support and trust you display towards our breeding program.

Besides updating our logo, not a whole lot has changed this year. We have another great set of bulls and bred heifers on offer and would be happy to assist you in finding an animal to further grow and improve your herd. We are confident that our unique breeding program will be an asset to your own. Our bulls are grown out on a high forage ration which improves longevity and structural soundness. These over-age bulls will work hard while maintaining body condition.

This is the first year we have Geronimo sons on offer. My brother Shane (Wolfe's Fleckvieh of Sundre AB) and I flew down to Jerry Brink's farm in Iowa and Geronimo was our top pick of his offering. Additionally, this year is your last chance to purchase a Crocket bull or bred heifer.

As for the bred heifers, all but one was bred to Barcelona. Barcelona has been used in the heifer pen for the last 5 years. 896C was bred to our new and upcoming herdsire Kitimat. We are confident he will be easy calving as well. All 13 heifers are due to calve in mid-April.

Two weeks prior to the sale you can view individual lot videos on our **WolfeFarms.ca** website. Click on the **YouTube** button on the home page and further explore what we have to offer you. We feel that this can help to narrow down your top picks before sale day and is especially helpful for those who may not be able to attend the sale. If you're not able to attend, we have DLMS and some Sale Day Contacts to assist you.

Call me at 780-524-9322 anytime for more information on our program or certain lots available. Please join us on the afternoon of December 3rd to walk through the pens. The sale will start at 4:00 PM and everyone is welcome to stay afterwards for a great homemade chili dinner.

### TERMS & CONDITIONS

**TERMS** - The terms of the sale are cash or cheque payable at par at sale location. The right of property shall not pass until after settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released.

**BID** - Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

**DISPUTES** - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

**PURCHASER'S RISK** - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

**INFORMATION SUPPLIED** - The information contained in this catalog is believed to be true and accurate. However, the information has been supplied by the seller and Jamesway Enterprises Ltd. assumes no responsibility if the information supplied is not accurate.

**CATTLE PICTURES** - The images in this catalog are believed to be accurate representations of the individual animals. Jamesway Enterprises Ltd. assumes no responsibility if the images as received have been altered.

**ANNOUNCEMENTS** from the auction block will take precedence over the printed matter in the catalog. Buyers are therefore cautioned to pay attention to any such announcements.

**CERTIFICATE OF REGISTRY** - A registration/recording certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

**SHIPPING** - Assistance will be given in making shipment after the sale but no risk is assumed by the Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

**BREEDERS GUARANTEE** - As per applicable Canadian Breed Association Breeding Guarantee guidelines. In no event shall the seller be responsible for reimbursing more than the purchase price.

**EXCEPTION TO GUARANTEE** - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

**HEALTH** - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state.

**ACCIDENTS** - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sellers, auctioneer, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

**RIGHTS AND OBLIGATIONS** - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

The Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner.
