WELCOME

to our 10th Annual Bull & Female Production sale. Once again, we are having it on our farm south of Valleyview, AB.

We would like to thank everyone for the years of support in our breeding program. The beef industry has definitely turned around and the ``supply and demand`` is now in the cattlemen's favor. It has taken a long time to come, but it's well deserved to all. I hope our type of genetics can help turn your program in the direction of your needs.

With our program being different from other breeders, we are able to offer these more mature bulls. It also allows you to buy bulls early for the next breeding season. With our bulls grown out on a high forage ration, it helps them for longevity and structural soundness throughout the years. Our bulls have the ability to work hard and maintain their body condition. It makes me proud to see and hear about our bulls still working at 6-8 years old.

I would like to note the new time, 4:00 PM. We decided to change this for your convenience to give you more time to view the bulls before the sale. This year we also have a video on each lot available on WolfeFarms.ca prior to the sale. This way you can look more closely at the animals that interest you the most before sale day. This is also a plus for those who might not make it to the sale.

Like last year, we are also offering bred registered heifers. They have been bred to either Virginia Barcelona 46X or Clearwater Andy. Both bulls are shared with my brother Shane in Sundre, AB (Wolfe's Fleckvieh). I hope these heifers work well with your breeding program by adding some fresh genetics.

Call me any time for more information on the bulls and heifers in the sale. If you can't make it, someone or myself can help you bid. Be sure to come early to view the cattle, and stay afterward for a great supper!

TERMS & CONDITIONS

TERMS - The terms of the sale are cash or cheque payable at par at sale location. The right of property shall not pass until after settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released.

BID - Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

DISPUTES - In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

PURCHASER'S RISK - Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

INFORMATION SUPPLIED - The information contained in this catalog is believed to be true and accurate. However, the information has been supplied by the seller and Jamesway Enterprises Ltd. assumes no responsibility if the information supplied is not accurate.

CATTLE PICTURES - The images in this catalog are believed to be accurate representations of the individual animals. Jamesway Enterprises Ltd. assumes no responsibility if the images as received have been altered.

ANNOUNCEMENTS from the auction block will take precedence over the printed matter in the catalog. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY - A registration/recording certificate issued by the applicable breed association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

SHIPPING - Assistance will be given in making shipment after the sale but no risk is assumed by the Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

BREEDERS GUARANTEE - As per applicable Canadian Breed Association Breeding Guarantee guidelines. In no event shall the seller be responsible for reimbursing more than the purchase price.

EXCEPTION TO GUARANTEE - In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

HEALTH - It is the buyer's responsibility to determine health requirements for importing any animal into his province or state.

ACCIDENTS - Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sellers, auctioneer, or Association assumes any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

RIGHTS AND OBLIGATIONS - The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale. The Auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance prior to the sale with the owner.
